The following weights should be used to determine the winner:

1. Acceptance to a 4 year academic institution

3. Participation in a number of varied activities
4. Recommendation by teachers or employer with emphasis on character and personal qualities

Our goal is to have this scholarship go to a student with a similar outlook on life to Kate's.

Kate had school spirit. She loved most of her teachers and many students, all with a variety of interests. She was involved in athletics, honor society, yearbook, and orchestra. Kate supported those students who participated in other activities. She was known for her kindness and her smile. She was pleasant, dependable, and honest. She was not always the best student nor the best athlete, but she gave each endeavor a strong effort.
